# Moray Road N4 3LD

Welcome to Moray Road, N4. We are delighted to present this generously proportioned three-bedroom garden flat arranged over the ground and first floors of this handsome period building, located in the popular Finsbury Park area.

Offered chain-free and comprising 1104 sq. ft. (103.5 sq. m.), this property retains a wealth of period charm and character. The flat is accessed via a ground-floor communal entrance, shared between two flats within the building.

Internally, the flat offers a grand reception room with an attractive large bay window, retaining the original wood panel surround and fireplace. The space flows seamlessly into a central dining area and a galley-style kitchen, which enjoys direct access to, and a wonderful view over, the 60-foot private rear garden. With its lush greenery, the garden offers a tranquil escape, making you almost forget you are in central London.

Off the dining space, a door leads to the third bedroom, while the integral hall provides great built-in storage, making it an ideal space for a study or guest bedroom. Moving to the upper levels, the flat features two sizable double bedrooms—one at the front and one at the rear. Between these rooms is a three-piece bathroom suite with an additional separate WC, adding a touch of practicality.

Finsbury Park is a highly desirable location, offering excellent transport links, including Finsbury Park Station with Victoria and Piccadilly lines and National Rail services. The area is also home to expansive green spaces, perfect for outdoor activities and relaxation, along with a variety of shops, cafes, and restaurants.

This property is a perfect blend of period elegance and modern convenience, making it an ideal home in a sought-after location.
